27) It does not seem desirable to extend the ber fit of release to the remaining prisoners sentenc to transportation for life having regard to the gravity of the offences committed by them.

Of the prisoners sentenced to imprisonment, the convicts whose Serial Numbers are given belo do not seem to be entitled to release as they ha not served out an adequate portion of their term the offences committed by them being some form o culpable homicide. 38) The Superintendent's recommendation for a further release Cannot, it seem to me, be approved. It will be seen from the list sent up by him that Even prisoners sentenced to transportation for life Cant have worked out less than four years of their sentence have been released for release. The object is not one for the release of all offenders wholesale - Regard must be had to the Nature and gravity of the offence committed and the total amount of Sentence already undergone. The list is now scrutinized in no illiberal Spirit as Can be judged from the fact that a total of 712 prisoners were released from the Central Jail alone not to speak of 714 prisoners of the Sabarmati Jail who received very substantial terms of remission.

OFFICE OF THE PRIVATE SECRETARY
TO HIS HIGHNESS THE MAHARAJA OF MYSORE

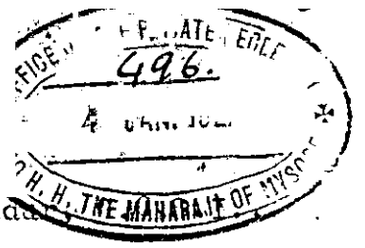
6th January 1922

Petition, as shown below, to His Highness the Maharaja is transferred to the Chief Secretary to the Government of His Highness the Maharaja of Mysore, ~~.....Department,~~ Bangalore, for disposal.

No. 496 of 21-22.

By Order,

Private Secretary
to His Highness the Maharaja of My



His Highness Sri Krishnaraja Wodeyar Bahadur,

Maharaja of Mysore.

Mysore.

May it please your highness,

We, the loyala and loving subjects of your Highness most humbly beg that your Highness may kindly condescend to permit us to place the following few lines before your highness for your Highness' merciful consideration and favourble orders.

We are all now passing through theeve of the visit to our province of His Royal Highness the Prince of Wales. We have learnt with immense joy and legitimate pride, and we have also been watching with the keenest interest and love, the progress of the grand preparations that are being made by your Highness' benign Government for the reception and entertainment of the illustrious Pince of the British Raj and the Heir-apparent to the British Throne. A visit of this kind generally takes place only once during a lifetime, and this visit in particular after the successful termination of the recent terrible European war which had plunged the whole world in horror and dismay and in which many of the subiects of your highness lay down their lives for the cause of the British Emrire and for the cause of Justice gives us the assurance that the dread of war has ceased and peace has come beck to reign supreme in the land. We have all been anxiously awaiting the happy moment of your highness' meeting with the future Emperor of India amidst the heartiest acclamations of your highness' loyal and loving subjects. On occassions like this it is but natural to invoke the goddes of charity to manifes herself in various ways andwe have learnt to our great joy and satisfaction that your highness has ordered several acts of chari to be performed in honor of the coming auspicious event. We fully believe that one of these acts of charity is the charitable gr nt of relea- release and liberal remission to the prisoners

in the various jails of our province. This is the highest form of charity that one can think of, because, to every human being there is nothing so dear as life and freedom is dearer than life. If this act of charity is not already thought of, we humbly pray that your highness may kindly order that it may be taken up at once and that the needful may be done. Your Highness, we see in you, a stern, determined and kind father and on behalf of our fellow beings who have been suffering untold misery in the various fails, we lift up our hands in prayer to you and appeal to your mercy that you may grant them a substantial remission, The reality is that in every jail nearly fifty percent of the prisoners are innocent men who have bec ome victims to the deceits and mischief of others. The The guilty too are truly repentant, and deseve to be encouraged as well as the innocent. Jails are, after all, only reformatory institutions and not machines intended to crush all vitality and noble feelings out of the beings consigned to them Your Highness, to whom else then your are we to appeal for mercy and we-ful who else than you will listen to our prayers. We are fully confident of the fact that in your Highness ' hear there lurks on inexhaustible fountain of the water of mercy and we fully hope that our humble prayer will not fail to tap this fountain and make the water of mercy flow frofusely over the heads of the unfortunate prisoners of the various jails of this provice. A fitting occasion is necessary for this and it is at hand. The tendency of modern times is always to follow the apelike principle of imitation. We fully hope that your Highness will not depend upon precedent or what other governments may do, in sanctioning this particular act of charity in honor of the visit of H.R.H. the Prince of the Wales, especially after the recent world war. We all unanimouly pray that your Highness may be pleased to sanction to s nction the grant of a general liberal remission to all the prisoners, and we confidently hope that our humble prayer will not go in vain.

We pray the Almighty that He may bless Your Highness with brilliant issues and give you long life and unalloyed happiness and that your dynasty may prosper,

Fully trusting that this unanimous prayer of all youn High-
will not go in vain.

2/1/22

We respectfully and humbly beg to remain,
Your Highness' loyal and loving subjects.

Adverting to Government Order No.J.3249-60/Pris 37-21 dated the 13th instant directing the release of a number of prisoners, and the remission of a portion of sentences of others in the Jail, I have the honor to submit herewith the following report on the action taken thereon.

1. Para 2 (i) of the Order: There was only one prisoner under sentence of one month who had worked out half his sentence and he was released forthwith on the 19th January 1922. (List A.)

4 Para 2 (iv) of the order: 379 prisoners under sentence of more than one year were given remission of sente calculated in accordance with the scale laid down in this clause, read with clause (vii). Of this number 23 prisone who, by virtue of remission so granted, became entitled for release, were forthwith released. (Vide list D.)

6. Para 2 (vi) of the order. In addition to above, I selected and submitted for Government sanction names of 78 prisoners (being 10% of the convict population of this Jail on the morning of the 17th January 1922 when the list was prepared) ~~when~~ whom I considered fit for release on the auspicious occasion of His Royal Highness the Prince Wale's visit. The selection had been made from "Among men whose conduct in Jail had not been bad, who had not more than 2 previous convictions, and whose original offence was not of an organized character, or of such a nature as to render them, a danger to society, or to public order, or to result, if they were released, in a renewal of blood feuds". As no restriction had been placed in regard to the proportion of sentence that should have been worked out to the term awarded in the case of men to be selected under this clause I thought that prisoners who had very long terms of imprisonment originally inflicted on them, and who had yet to serve pretty long terms need not be excluded from consideration for clemency under this clause, the other conditions being satisfied. Accordingly my selection extended to several life term of convicts most of whom had worked out about half the sentence including remission, and who, by their good conduct in Jail, seemed fit subjects for the exercise of the clemency which would be highly appreciated, by long termers rather than those who had only a few days or a few months for their release in the ordinary course.

7. In the list of the male prisoners sanctioned for rel only 15 life term convicts have been included. Even the la of these 15 men viz., convict No.5750 Mallappa alias Sannap had actually worked out nearly 10 years and 7 months imprisonment and had 5 years 2 months and 12 days remission at his credit i.e., he and every one above his name had finished more than 14 years imprisonment in Jail and their releases may have been sanctioned by Government even as an ordinary measure under Rule 308 of the Mysore Jail Manual. In fact, the names af all these life term convicts had been submitted once before, for considering the expediency of their release

8. For these reasons, I submit, that the case of other prisoners also recommended for release may kindly be re- considered and orders issued for their release as His Royal Highness the Prince of Wales is still in the Mysore State.

9. In case, however, the Government are still inclined to think that the prisoners in question should not be released, I request that permission may kindly be accorded to me to reach the generous percentage of 10 on the convict population of this Jail by releasing others in their place the selection being made under such conditions as the Government may now impose, and the matter being reported later on.

10. Same para 2 (vi) of the order: Female prisoners - 22 had been recommended for release including lifers, the selection having been made in accordance with the instructi laid down in this clause. The number sanctioned for releas was, however, 16 and therefore the 6 that were left out, together with 11 others who were under various terms of imprisonment in Jail were given remission in accordance with the scale, vide list E. Of the 17 thus given remission two were released forthwith who became entitled therefor by the grant of remissions. The case of the 6 women whose release was not sanctioned may also be kindly re-considered.

11 In conclusion

52 prisoners were released from Jail as per G.O. No. J.3412-5/Pris 37-21-6 dated 18-1-22

714 prisoners were granted remission of a portion of their sentences by virtue of which 60 more were released making a total of 112 prisoners released on 19-1-1922

I have the honor to

OFFICE OF THE PRIVATE SECRETARY
552
TO H. H. THE MAHARAJA OF

His Highness

Sri Krishnarajendra Wodiyar Bahadur, G.C.S.I., &c.,

Maharaja of Mysore, M Y S O R E.

May it please your Highness

The humble memorial of Mallappa alias Sannappa, ex-convict of the Bangalore Central Jail, now released in honor of the visit of H. R. H. the Prince of Wales to the State, showeth that

1. Your Highness's Government were pleased, in accordance with your Highness's desire, to order on the 13th -- instant, the commemoration of the visit of His Royal Highness the Prince of Wales' visit to the State by the release of the some of the prisoners and the gran of remission of sentence to some others.

Your Highness's Government ordered in para 2 (vi) of their order of the 13th instant that in addition to those prisoners who were to be released by virtue of the remission granted to them, male prisoners up to the number of 10% of the total number of the prisoners in the Jails at Bangalore and Mysore should be released, and called for lists, with full particulars, of prisoners to whom clemency should be shown and released.

Among the 40 male life prisoners that were recommended by the Superintendent of the Bangalore Central Jail, for clemency, your Highness's Government selected only 15 and these had already completed a greater portion of their sentence and had only to complete a very little of their sentence. The Government seem to have taken as their criteria the ¾ or more of the sentence undergone. Your Highness's memorialist begs to sub-

submit that the Government have not shown any sort of clemency by their present selection and there are very many cases richly deserving consideration. Clemency ought to be shown in the case of lifers who will have no hope of release and mixing with society, and hence it is the lifers with good conduct that have to be -- shown clemency. Your memorialist believes that by their present selection, your Government have frustrated your Highness's desire to show sympathy towards the lifers. Your memorialist further begs to state that the strength of the Bangalore Central Jail was about 800 and odd and the Government have not shown clemency even to the extent of 5%, while the percentage they fixed was 10.

Wherefore your humble memorialist prays that your Highness may be graciously pleased to call for the papers concerned, look into the recommendations of the Superintendent of the Bangalore Jail and order a supplimentary release of those lifers that richly deserve clemency at your Highness's hands.

For which act of generosity and benignness, your memorialist begs to remain,

Your Highness's humble and most loyal subject.

20th January 1922.
